The Internet has harmful effects, especially on young people. It can damage their social life, education and physical health. Firstly, young people don't have many real friends, just online ones. Also, they get bad grades. Many students play computer games, but they don't do their homework. Another bad effect is on their physical health. For example, young people can have problems with their eyes because they look at the screen for a long time. So, young people should spend less time on the Internet.
